MEMORANDUM FOR RECORD

SUBJECT: Transfer of Interior's Geographic Office to CIA

Mr. Imhoff of Interior called pursuant to my talk with Mr. Foreman last week and indicated that further consultation within the Department of Interior had resulted in a decision not to raise the matter with the Bureau of Budget until approximately the time that the Bureau reviews Interior's FY 1958 budget. He mentioned a man named Randahl, who is the Budget coordinator of "mapping activities" throughout the government, as a person who should be included when the talks are laid on. We left it that he would telephone me when he decided the time for discussions with the Budget was ripe.
